FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

## HEARTS CAPTURED IN T\_\_\_, HEARTS STIRRED IN I\_\_\_, AND HEARTS BREAKING IN M\_\_\_

### Hearts Captured in T\_\_\_:

I am thrilled to be able to make our brand-new video available to our supporting churches. It is a 10-minute summary of the miraculous work God did during our 9-day conference at C\_\_\_ B\_\_\_ C\_\_\_. For the safety of these converts, please do not share this video on social media or in any public forum. Please pray for these people as they are being discipled and continuing to grow. We saw 21 people saved and baptized; I will share first names with you next month.

### Hearts Stirred in I\_\_\_:

M\_\_\_, one of my Persian workers, has been a right-hand man to me. Each week, he works with me as a translator, reaching Persian and Afghani seekers who want to leave Islam. This week, his own sister became one of those people! He has been praying for his sister A\_\_\_ to be saved for 11 YEARS, and today she joined one of our two weekly online classes. I preached the Gospel, knowing she would be present. After an hour explaining the necessity of a perfect blood sacrifice, she believed . . . and M\_\_\_ was able to lead his own sister to Christ. Talk about coming unglued! Wow! What a day (9/13)! Please pray for her as M\_\_\_ attempts to win her husband, who is unsaved. This is always a sensitive situation.

### Hearts Breaking in M\_\_\_:

No doubt you have heard of the tragedy that struck M\_\_\_. The death toll is approaching 3,000, and M\_\_\_ (my partner in ministry there) and his wife M\_\_\_ have traveled from R\_\_\_ to M\_\_\_ to help the few area churches that exist there. I have already sent what funds I could to help supply water, medicine, and canned foods. Many of the people are living out on the streets because the standing houses are unsafe. Next month, the cold season arrives in M\_\_\_, and they will need bedding as well. As the Lord directs, any funds toward these necessities will help them immensely . . . and could prepare their hearts to receive Christ. M\_\_\_ has been the hardest field we have served in the 10-40 Window. God may be preparing them through adversity.

### PRAYER REQUESTS:

- Funds for earthquake victims in the M\_\_\_ B\_\_\_ C\_\_\_ (please designate as “earthquake”)
- Growth of new Persian converts in T\_\_\_
- Wisdom and the mind of God, as we plan soul-winning ventures over the next 12 months
- God’s provision for operating costs for the rest of 2023

Gratefully in His service,

Missionary #6505
