Dear Pastor and Praying Friends,

I pray this letter finds you well. Since we came back to Honduras, we have been busy with the construction of our church kitchen. It is going to be a blessing for our church and will help to feed people in our community and city. We have made some progress and can't wait to finish it and use it for His glory!

Last month, we had our second Couples' Conference. Bro. & Mrs. John Francis were our speakers. We had a good attendance, including many new couples. I believe some marriages were saved, while other marriages were strengthened.

We also started our Christian school. It is something we have wanted to do for a long time. I believe it was God's timing.

Having a Christian school is a great need. I believe God will use it for His glory. We have four students and two teachers! The cost of tuition is \$160 a month, we have several children that would like to attend but do not have the money to do so. If you would like to help a child attend our Christian school, please contact me at my email: [osmin.gutierrez@fbmi.org](mailto:osmin.gutierrez@fbmi.org)

People continue to get saved every week. Last week, I had the joy of baptizing a teenager and two kids who had recently trusted Christ as their Saviour.

Thank you for your prayers and financial support. May God bless you and continue to use you.

Truly,

Osmin Gutierrez
