

November 2023 Newsletter

David's Psalm of Praise inspires/invokes a newsletter. "I will extol thee, my God, O king; and I will bless thy name for ever and ever. Every day will I bless thee; and I will praise thy name for ever and ever. Great is the LORD, and greatly to be praised; and his greatness is unsearchable. One generation shall praise thy works to another, and shall declare thy mighty acts." (Psalm 145:1-4) I know God deserves this from me, but I want more; I must proclaim praise publicly.

God is having His harvest, letting *Pure Water for All* proclaim Jesus and give water in His name on three continents and in more than 200 villages last month. Salvations, healthy babies (baby conceived because the water was treated), and church plants are the result.

PAKISTAN

In Pakistan, there were 15 church plants started because of the *Pure Water for All* ministry. The Gospel was given, and many came to know Christ as their Saviour!

CONGO

On the left is a baby and her mother. This baby was born in the DRC (Congo) She and her husband had tried for four years to conceive. They were shunned by their family. Through the use of the Pure Water system, she conceived and gave birth while I was working in the Congo.

We were also able to plant another church in Sierra Leon (pictured on the right).

PERU TESTIMONY

"We visited 8 towns, along with 1 hospital, 2 medical posts or health centers, 5 schools, and 1 market. We also delivered systems to 3 pastors and 2 mayors (local political authorities). As a result of this, there were approximately 72 people who received Christ as their personal Saviour, including 3 doctors and a nurse."

WATER-SYSTEM CONSTRUCTION

As of this writing, there are 20 systems fully ready to go into the field, but 1,000 systems are needed. Construction is taking place in Washington, Iowa, and a new site is starting up in Crown Point, Indiana.

Once funds arrive (\$100 for each system), a system goes to the harvest field. The harvest field has people, mostly babies, who are dying physically and spiritually. God is merciful to turn this tearful need into a harvest.

I cry during my prayers, seeking help and rejoicing in seeing results. All of our beings (Director David Boyce and I) burn inside with the call of the Lord Jesus Christ on our lives. Hundreds of newsletters would only begin to start to share the Lord's glorious works. Thank You, Jesus! Join us in praising Jesus continuously.

God's water boy,

John Hays
