October/November 2023

Dear Friends and Supporters:

During the first week of October, our church had our first Couples' Conference with Pastor & Mrs. Jose Aguero. We had a goal to have 150 couples present for the Friday-to-Sunday event. We promoted the conference with thousands of flyers, with social media, and by word of mouth. The interest was great, and the excitement was very high! The results of the conference were shocking from all the testimonies we received afterwards. We had a total of 98 couples show up, with 28 first-time visitors. Praise the Lord! We would like to do another Couples' Conference next September or October. Thank you for your prayers.

On December 5, our sons Benjamin and Ezequiel are coming back to Argentina. Praise the Lord! We are excited and preparing for their coming! Benjamin and his wife were able to raise all of their support, and they are going to Posadas, Misiones, to start a new church. Ezequiel needs to raise his support, as he is going as an evangelist to the mountain people here.

Benjamin & Bere  
Jonathan

Going to Posadas - Argentina  
to start a new church!

Our *Fires of Evangelism* Conference is coming up December 12-14, with Dr. & Mrs. Ezequiel Salazar, Pastor Miguel de Anda, and Pastor Jonathan Ashcraft. This is our national conference for pastors and full-time workers. We are working nonstop to promote and get ready for this great event that will help us reach Argentina for Christ!

During the year 2024, our goal and plans are to go forward, by faith, and print 1 million Gospel tracts, Gospel booklets, and Gospel postcards and get these all distributed all over Argentina! Donations are needed, but I desire your prayers and that God would increase my faith! Let's win souls and see lives changed with the Gospel. My emphasis is on the plan of salvation, illustrated and made simple for the masses of people without Christ. I ask that you partner with us in this task. Let's go forward, by faith!

Thank you for your prayers and support. May God bless you richly!

For souls,

Brian R. George
