MISSIONARIES TO MEXICO

November 3, 2023

Dear Pastors, Supporting Churches, and Praying Friends,

Thank you for the generous and faithful support that has made this church-planting ministry in Mexico possible.

We are working in a rural area in the state of Mexico. The church is in a remote place where there are more farms and animals than people (there are a few very small towns near the church), but the Lord is working here in a wonderful way! There are six families attending faithfully, and in the short time that my wife and I have been here, the Lord has given us five new families that have been saved and have started attending. We are working with these families now. The response to the Gospel has been good.

Thank you for your prayers for workers. The Lord has given us two faithful ladies who have been working with us now for three weeks. On Monday, November 6, a team of four to six other workers will also join us. By the grace of God, there will be eight to ten of us soul winning, visiting, and doing discipleship every day for six hours a day. We are excited for the opportunity. The Lord has also wonderfully provided the finances for this four-week team. What we need more than anything is the fullness and power of the Holy Spirit upon us. We would be grateful for your prayers.

You have been so faithful and generous with monthly support and with special needs that I am reluctant to mention a special need that has arisen. We are in need of a dependable 6- by 12-foot enclosed cargo trailer for our ministry. The Lord has graciously provided, but we are in need of another \$4,000 to purchase the trailer. If the Lord would put it on your heart to help with this special need, we would be grateful, and it would be used to reach souls for His glory and honor.

Prayer Requests

1. The fullness and power of the Spirit on the four-week November team in the new church plant
2. The \$4,000 needed and the wisdom to buy the trailer we need for our ministry

Yours for souls,

Chris and Viry Sage
