

THE KEOFAMILY

MISSIONARIES IN CAMBODIA

September and October 2023

Dear Pastor and Church Family,

“The LORD is my light and my salvation; whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid?” (Psalm 27:1)

We have left our second oldest daughter at Bible college; now we have just two left with us. We have been back in Cambodia since October 27. Thank you so much for praying for our safe flight.

My son Jonathan and I were throwing a football around outside my mother-in-law’s home while waiting for my wife, who was getting ready to go to Walmart. A few houses across from my mother-in-law’s home, two boys, ages 11 and 12, saw we were playing and came over and asked if they could play with us. We said, “Yes.” While throwing the football back and forth with them, the Holy Spirit said, “You need to witness to them.” I walked to my car, got my soul-winning Bible, and a tract. Then my son ran over and whispered, “Dad, are you going to witness to them?” I said, “Yes.” I walked over and motioned for them to come closer to me. I began by asking them if they believed in God. They said they did. “Do you go to church anywhere?” I asked. They said that they did go to church off and on. I continued, “Do you know where you are going if you died right now?” They said that they didn’t know. Praise the Lord, thirty minutes later, they were both saved. I am glad my son Jonathan witnessed all of that.

Thank you so much for your prayer and financial support. God bless you.

For Christ’s sake,
