

December 2023

Greetings from the Middle East. God has been abundantly good to our family through your prayers and support. Every day for a week, our family prays for a specific church, which my son chooses. Before the end of the year, we will have covered all of our supporting churches in prayer. This prayer letter is sent early as a special request, asking prayer for a particular matter. I still plan to send a bimonthly report in January to share with you what God has been doing these past two months.

As Paul requested money for the poor saints in Jerusalem, I am likewise requesting prayer and financial support for a Christian friend who has a need. He currently lives in the country where we serve but is native to a neighboring country. He is suffering from a hernia and was told he needs surgery. The cheapest option is to fly to his native country and have the surgery there. The surgery itself will cost \$2,500. I am planning to give \$1,000 of my own money and praying that God will supply their needs without having to deplete all of their savings. They are a good Christian family who love the Lord and serve Him faithfully. All of the money that comes in will go directly to their family. I am hoping to raise at least \$4,000 so that the entire family can travel. Surgery here would cost \$7,000; therefore, it is cheaper to fly his family and have the surgery elsewhere.

If you feel led to give financially, please let me know as soon as possible. I will let you know if any more money is needed. They are leaving January 25, and his surgery is on the 29<sup>th</sup>. Please pray for God's grace, as it is extremely painful for him. Pray also that God would provide a suitable and stable job. Our request is that God would move them closer to our city.
