FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

Dear Pastor and Praying Friends,

The months of October and November have been busy with traveling during furlough. I was able to visit some churches in Illinois, Texas, and Michigan. In the last few months, we have put over 13,000 miles on the van that we are using. We thank the Lord for His amazing grace as we travel all over this great country. I praise the Lord for an opportunity to witness to three teenagers while out soul winning. They were playing football in the street, and I went over and asked if they knew for sure that Heaven would be their home. Praise the Lord, the Gospel still works! Pray that they would go to church and get involved.

We have been gone from America for seven years, and we missed the four seasons of summer, winter, spring, and the fall colors. In the Philippines, there are two seasons—hot and hotter. The church in the Philippines is doing well. They have typhoon season with heavy rains; but souls are being saved, and visitors are coming almost every week.

The relative of one of our members passed away, and one of our preachers was able to give the Gospel during a funeral service. Thank the Lord for the three who got saved!. Another preacher that was trained in our Bible college recently witnessed to a man in a nearby town who needed the Lord Jesus Christ.

We are praying about being able to start a church when we return next year, so please pray that God will open more doors.

Thank you for your prayers and support.

Mark and Kim Palmani
