

March 2024

Friends,

*"I have no greater joy than to hear that my children walk in truth." (III John 1:4)*

Every Saturday, we have Bible classes for two hours at the church. We have different men take turns preaching each week. Today, for my birthday, my ten-year-old, Little Eddie, preached his first message about David. He's pictured below. I am very thankful!

God bless you, and thank you for letting me share with you!
