

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

March/April 2024 Update

- Since our last update, we have shipped over 77,000 Scriptures to the following three countries:
 - Albania
 - Mexico
 - United States
- The release of the container in Nigeria has been negotiated, funds have been sent, and we are hoping for a letter of release soon. Please keep praying.
- Pray for the group of 19 individuals heading to Peru for our **Jesús 4 Juliaca** trip April 15-23. Pray that much will be accomplished for the cause of Christ!
- Praise the Lord for the opportunity to baptize Teofilo, the 76-year-old Honduran mentioned in the last update!

Sowing More in North America

Along with the picture came these words from Chris King in Mexico: “Happy Missionary!! Thank you!!” Please pray for fruit that remains from a Scripture-distribution project he led, targeting multitudes on a Catholic pilgrimage to Chalma the week before Easter.
