April 2024

Dear Friends,

Our ministry here is very much focused on preaching the Gospel, especially through personal soul winning. I want you to meet some of my recent converts.

- I met **Akwasi Sarfo** (*on the left in the picture*) about two months ago during Saturday soul winning. He readily heard the Gospel and was saved and baptized. Two weeks ago, he asked if we could come and witness to his wife; we did, and she was saved. He then requested that we come and witness to his children, so one of our college men went and preached to them. I pray that Akwasi would grow and that his whole family will attend with him.
- On a recent Saturday, I met **Antwi Agyei** (*on the right in the picture above*), but I could not speak his language. I came back the next week with another soul winner, who won him to Christ. Now Antwi has been baptized and has joined the church!
- The young man in the solid white shirt is **Michael**, whom I won to Christ three weeks ago. Both he and his friend **Afful** (*also pictured*) came to church last Sunday.
- About five months ago, I met **Prince** as I was walking to work. He uses crutches because one of his feet was amputated a year earlier; his wound still had not healed. I took his phone number and followed up on him. He got saved, baptized, and has joined the church. Praise God! I was able to advise him concerning his wound; now it is almost completely healed. Prince continues to attend regularly.
- I met a teenager named **Nana** passing our church on a Saturday morning about two months ago. He stopped and listened to the Gospel and has been attending church ever since.
- **Jennifer** is the wife of Francis, one of our newer college students. I won her to Christ about three months ago. She has joined the church with her husband, and she is now coming to college classes as well. Both Francis and Jennifer have a strong desire to win others to Christ.
- **Kwadwo** and **Rita** and their family started attending our church recently. I visited their home about six weeks ago and was able to win the two young boys (*on the right in the picture*) to Christ. They were baptized the next day!

The fields are white unto harvest! Thank you for supporting our ministry! We believe in soul winning!

Yours for souls,

Ted Speer
Pastor/Team Leader
