### VENEZUELA

August - October 2014

Dear Pastor and Praying Friends,

Thank you, dear friends, for your prayers. We are doing well but still recovering from the CHIKUNGUNYA virus that is going around Venezuela. The virus brings a high fever for four to five days and a lot of pain in the joints. The pain may last from six months to a year. Our entire family has already gotten it twice; some members of our church are going through it for the third time. We are taking pain killers daily. The pills are sometimes difficult to find because of the great need.

Our church is doing well. We had Vacation Bible School. The highest attendance was 67 children, with 43 saved. Praise the Lord! We had some of the kids return to church for some time, but they quit coming. These kids are from rough neighborhoods, and the parents are not willing to help at all. Please pray for them.

Please pray for Venezuela. I know the situation is bad everywhere. It seems that we are in a war. The shortage of medicine, food, and money and the high prices of everything are making the people unpleasant. We are going to keep doing our work here during these hard days. Keep us in your prayers. Thank you.

The church has seen 332 souls saved and 2 follow the Lord in baptism during the last 3 months! Praise the Lord!

**Please enjoy a Happy Thanksgiving!**

**Prayer Requests:**

- For health and safety
- For the Lord to supply the monthly support that we need
- For the salvation of the people of Venezuela
- For land on which to build the church
