

FUNDAMENTAL BAPTIST MISSIONS INTERNATIONAL

January 2019

Dear Friends and Family,

Greetings from Thailand! We are blessed because of your friendship and pray you are doing well.

January has been a busy month. The church has seen 20 or more saved in church, and visitors have been coming to join our services nearly every week. Last week we had a wedding at 8:30 on a Sunday morning, with over 200 in attendance! A good number of them prayed and accepted Christ as their Saviour.

We are teaching in schools and have recently started a new church plant. Our first service saw 75 in attendance, with nearly everyone trusting Christ as their Saviour. We have also started a new Bible Club that has brought several new people to church!

Thailand is exploding for the Gospel. We are praying for laborers to help! Possibly you?

God bless you,

The Arold Family
