Dear Pastor and Church Family,

**Family:** Well, another year of serving God is behind us, and a new year of service and blessings are ahead. I hope you are looking forward to 2019. It is going to be a wonderful year.

**Soul Winning:** I had many opportunities to present God's love this month. I was also privileged to preach several times. I am still amazed every time I stand to preach that when God called me 23 years ago, I could not stand in front of one person to speak without being scared to death. God has a way of changing us . . . if we are simply willing to be changed. What a mighty God we serve.

### Sending Church:

I was privileged to share the Gospel with a young man in Maryland. He was diagnosed with many mental issues from his childhood and had struggled with life. After many questions, he was gloriously saved.

**Travels:** We have been to several churches this month, mostly local. I preached a Faith Promise Missions Conference in Maryland. Their Faith Promise giving increased by 15%. God is so good. Next month we are headed to Tennessee, Indiana, Ohio, and Michigan.
