Your missionaries to Nigeria

May 2019

Dear Prayer Partners,

“Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.” (John 4:35)

As we travel, we are continually made aware of the ripeness of the harvest. Wherever we see people, we see the great need for someone to get them the Gospel. Though we cannot wait for the opportunity to minister in Nigeria, we have been blessed with so many opportunities to get the Gospel to people right here in the States. We must remember that we do not need an atlas to see the mission field; we only need to step outside of our houses!

We had the opportunity to present the work in five different churches in Iowa, Indiana, and Michigan this month. We also had four churches let us know that they would be partnering with us to reach Nigeria with the Gospel! We are so thankful for the giving of God's people!

It was a privilege for us to be able to be with family to celebrate Resurrection Sunday! Just the thought that we serve a God Who is alive and well today, is able to take care of our every need, and is willing to use sinful man to reach the world should be enough to get anyone excited! Nobody else was ever born like Jesus was born, nobody else ever lived like He lived, nobody else ever died like He died, and nobody else ever rose again like He rose again! Praise the Lord!

Erin and the baby are doing great! Due to her weekly appointments, we have been trying to stay a little closer to home. Being home more has given us the opportunity to help out with some different projects around the church. Painting, working on a missions display, and making some visits have been a few of the areas that we have been able to help in.

Thank you so much for your continued support in praying and in giving financially. Everyone is responsible for the Great Commission. Thank you for doing your part! We know that it takes folks like you to send folks like us.

In His service,

Daniel and Erin Lang
